Next/Previous – On user click

Interactivity

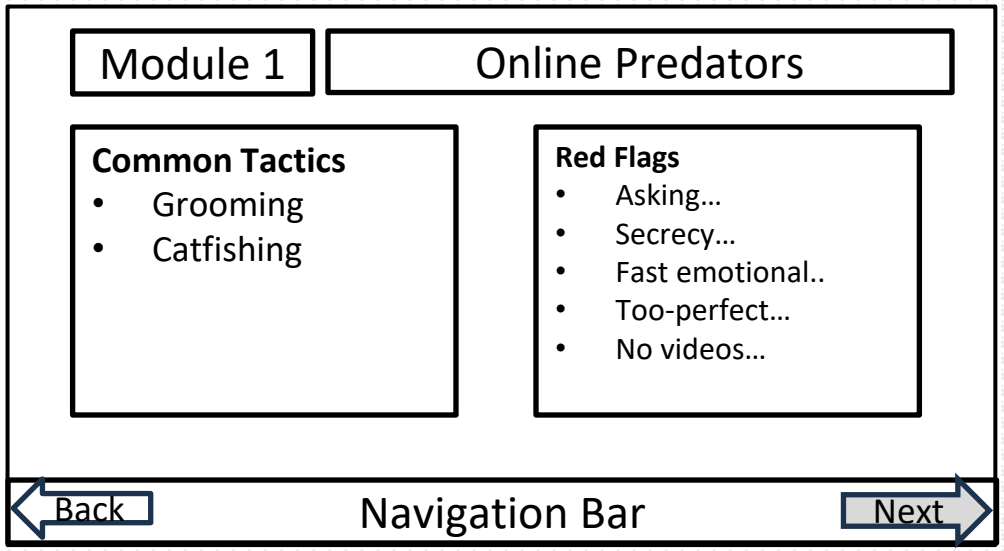
Scenario pop-up with learner choices

Audio / Narration / Text on Screen

Text on Screen:
• Heading: Cyberbullying
• Key Points:
Harassment and threats online.
Social exclusion through comments or messages.
• [Next] (Button)

Narration:
"Cyberbullying includes harassment, threats, and social exclusion online. If you experience or witness cyberbullying, report it immediately and seek help from a trusted adult."

Project Name	Online Safety Education for Teen	Screen Title	Online Predators (M1S9_Predators)



Objects/Assets

See Style Guide for:
• Fonts, color palette, background color/image

Image/Icon Assets:
• Images of fake social media profiles (.jpg)

Slide Objects:
• Click-to-reveal red flags scenario
• [Next] (Button)

Module #	01
Screen Index	#9 out of 17
Screen Type	Interactive Content

Navigation

Learners must click all red flags before advancing

Interactivity

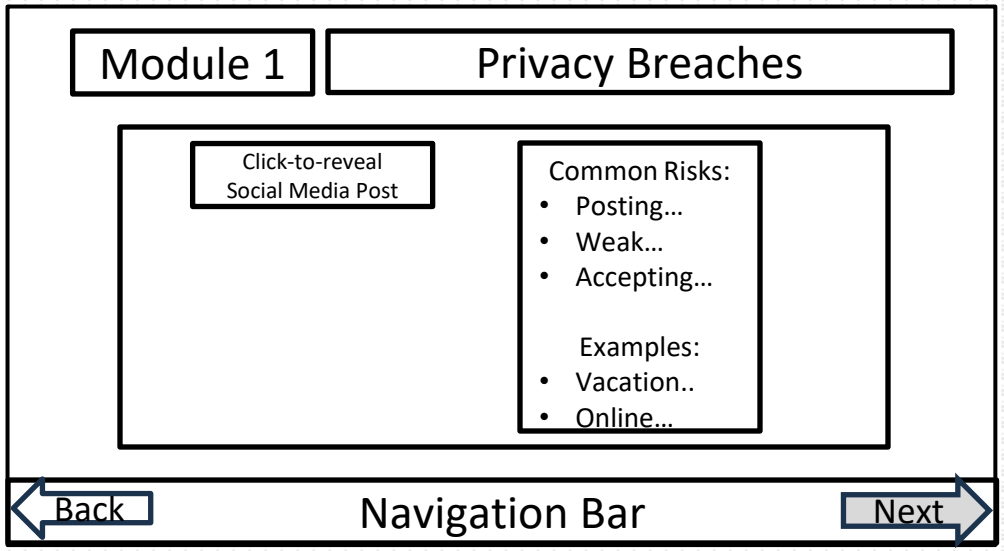
Click-to-reveal red flags in a sample conversation

Audio / Narration / Text on Screen

Text on Screen:
• Heading: Online Predators: Grooming & Catfishing
• Common Tactics:
  - Grooming
  - Catfishing
• Red Flags:
  - Asking for photos
  - Secrecy pressure
  - Fast emotional bonding
  - Too-perfect profiles
  - No video calls or public meetings
• [Next] (Button)

Narration:
"Some online predators pretend to be someone they're not to manipulate and exploit others. Two common tactics they use are grooming and catfishing. Grooming is when a predator slowly builds trust with a teen to later exploit them. Catfishing is when someone creates a fake identity to deceive others online. Let's learn how to recognize and avoid these dangers."

Project Name	Online Safety Education for Teen	Screen Title	Privacy Breaches (M1S10_Privacy)



Objects/Assets

See Style Guide for:
• Fonts, color palette, background color/image

Image/Icon Assets:
• Identity theft icons: credit card fraud, hacked accounts (.png)

Slide Objects:
• Click-to-reveal social media post scenario
• [Next] (Button)

Module #	01
Screen Index	#10 out of 17
Screen Type	Interactive Content

Navigation

Learners must complete interaction before advancing

Interactivity

Click-to-reveal post simulates a sample post.

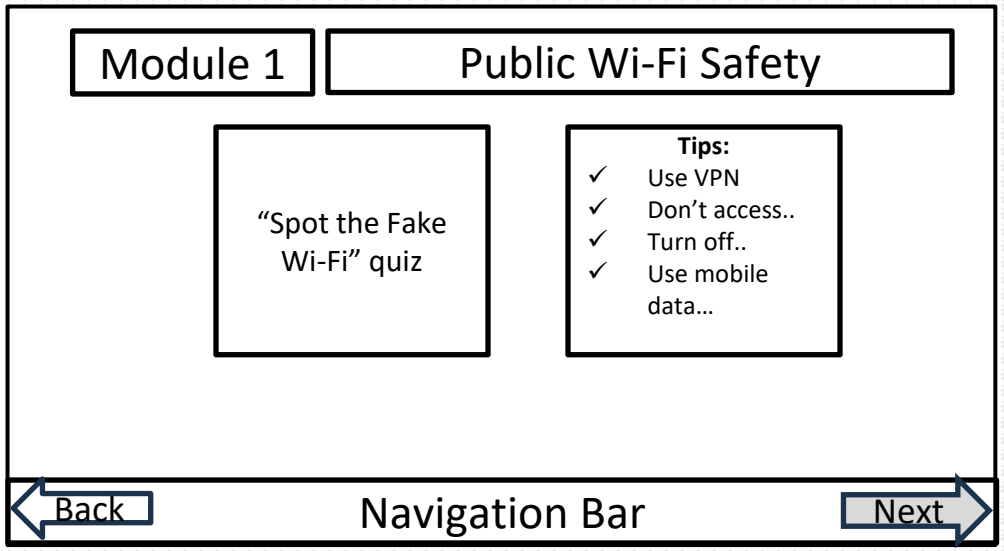
Learner clicks to reveal what personal info is being shared.

Audio / Narration / Text on Screen

Text on Screen:
• Heading: Privacy Breaches
• Common Risks:
  - Posting personal details
  - Weak passwords
  - Accepting friend requests from strangers
• Examples:
  - Vacation location posts
  - Online quizzes asking for personal info
• [Next] (Button)

Narration:
"Sharing too much personal information online can put you at risk of identity theft and privacy breaches. Many teens unknowingly expose sensitive details, making them easy targets for cybercriminals. Let's explore how oversharing can lead to serious consequences and how you can protect yourself."

Project Name	Online Safety Education for Teen	Screen Title	Public Wi-Fi Safety (M1S11_WiFi)



Objects/Assets

See Style Guide for:
• Fonts, color palette, background color/image

Image/Icon Assets:
• Wi-Fi risks: padlock, warning sign, hacker icon (.png)

Slide Objects:
• "Spot the Fake Wi-Fi" quiz
• [Next] (Button)

Module #	01
Screen Index	#11 out of 17
Screen Type	Interactive Content

Navigation

Learners must complete quiz to proceed

Learners must select the fake Wi-Fi before the tips appear and [Next] becomes active

Interactivity

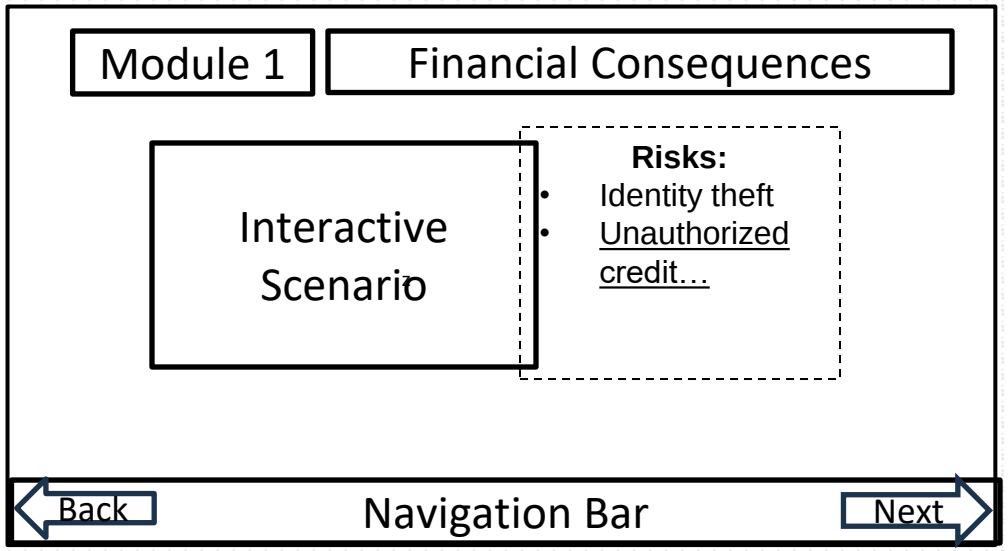
Spot-the-fake quiz + decision scenario

Audio / Narration / Text on Screen

Text on Screen:
• Heading: Public Wi-Fi Safety
• Common Risks:
  - Man-in-the-middle attacks
  - Evil twin hotspots
• Tips:
  - Use VPN
  - Don't access sensitive accounts
  - Turn off auto-connect
  - Use mobile data if unsure
• [Next] (Button)

Narration:
"Using public Wi-Fi can expose your personal data to hackers. Unsecured networks, such as free Wi-Fi in coffee shops, airports, or malls, are a prime target for cybercriminals. Attackers can steal your personal information using techniques like man-in-the-middle attacks or by setting up fake Wi-Fi networks. Let's explore these risks and how to protect yourself."

Project Name	Online Safety Education for Teen	Screen Title	Financial Consequences (M1S12_Financial)



Objects/Assets

See Style Guide for:
• Fonts, color palette, background color/image

Image/Icon Assets:
• Real-life financial fraud example

Slide Objects:
• Interactive scenario
• [Next] (Button)

Module #	01
Screen Index	#12 out of 17
Screen Type	Interactive Content

Navigation

Next/Previous – On user click

Clicking one of the options triggers a feedback message or risk explanation

Interactivity

Scenario response activity that shows fake message.

Learners chooses what to do (could use two buttons: "Click Link"/ "Ignore")

After interaction, show "Risks" layer

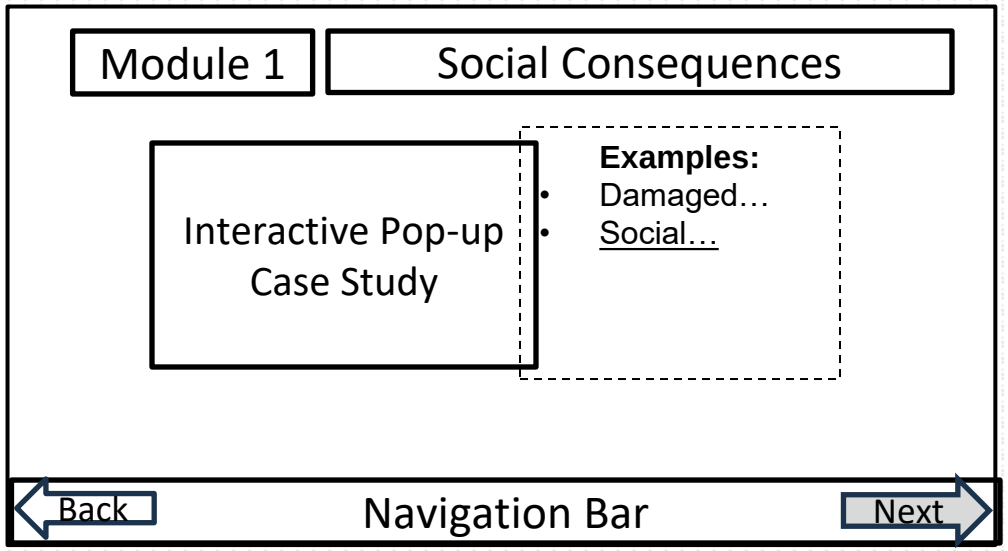
Audio / Narration / Text on Screen

Text on Screen:
• Heading: Financial Consequences
• Risks:
  - Identity theft
  - Unauthorized credit card purchases
• [Next] (Button)

Narration:
"Unsafe online behavior can lead to financial loss. Identity theft and fraudulent transactions are common risks for teens who share personal information online."

Project Name	Online Safety Education for Teen

Screen Title	Social Consequences (M1S13_Social)



Objects/Assets

See Style Guide for:
• Fonts, color palette, background color/image

Image/Icon Assets:
• Interactive pop-up case study of lost job opportunity

Slide Objects:
• Pop-up analysis scenario
• [Next] (Button)

Module #	01
Screen Index	#13 out of 17
Screen Type	Interactive Content

Navigation

Learner must interact with the case study before advancing

Interactivity

Simulates a real-life situation like a teen losing a job opportunity due to past posts

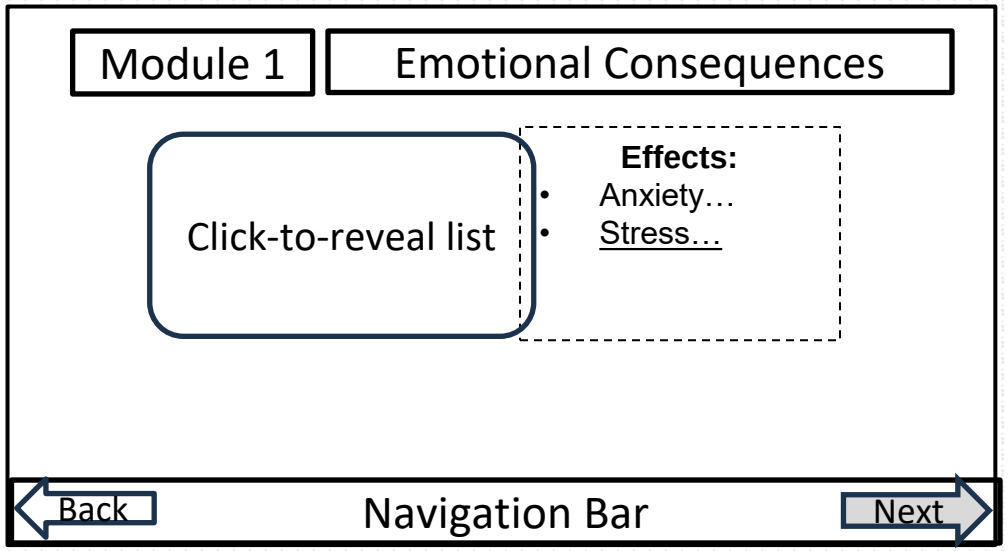
Learners clicks to reveal consequences

Audio / Narration / Text on Screen

Text on Screen:
• Heading: Social Consequences
• Examples:
  - Damaged reputation from old posts
  - Social isolation due to bullying
• [Next] (Button)

Narration:
"Cyberbullying and reckless online behavior can damage reputations and lead to social isolation. The things you post online can follow you for years."

Project Name	Online Safety Education for Teen	Screen Title	Emotional Consequences (M1S14_Emotional)



Objects/Assets

See Style Guide for:
• Fonts, color palette, background color/image

Image/Icon Assets:
• Mental health support icons (.png)

Slide Objects:
• Click-to-reveal list of mental health resources
• [Next] (Button)

Module #	01
Screen Index	#14 out of 17
Screen Type	Interactive Content

Navigation

Learners clicks each item in the list before proceeding

Interactivity

Click-to-reveal list: each item appears when clicked or hovered over

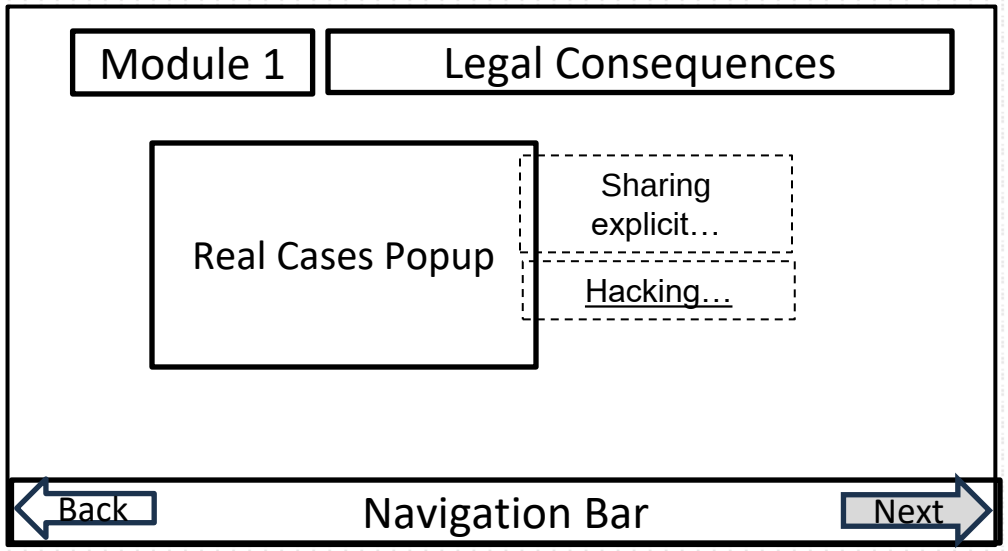
Optionally, each item can pop up with a short description or icon when clicked

Audio / Narration / Text on Screen

Text on Screen:
• Heading: Emotional Consequences
• Effects:
  • Anxiety and depression from online harassment
  • Stress from unrealistic online comparisons
• [Next] (Button)

Narration:
"Online harassment and exposure to harmful content can lead to anxiety and depression. Let's discuss ways to protect your mental health while using the internet."

Project Name	Online Safety Education for Teen	Screen Title	Legal Consequences (M1S15_Legal)



Objects/Assets

See Style Guide for:
• Fonts, color palette, background color/image

Image/Icon Assets:
• Legal gavel or warning icons (.png)

Slide Objects:
• Real cases pop-up
• [Next] (Button)

Module #	01
Screen Index	#15 out of 17
Screen Type	Interactive Content

Navigation

Clicking the pop-up cases is required before advancing

Interactivity

Click to read real cases: clickable or hoverable elements showing actual cases related to "Examples"

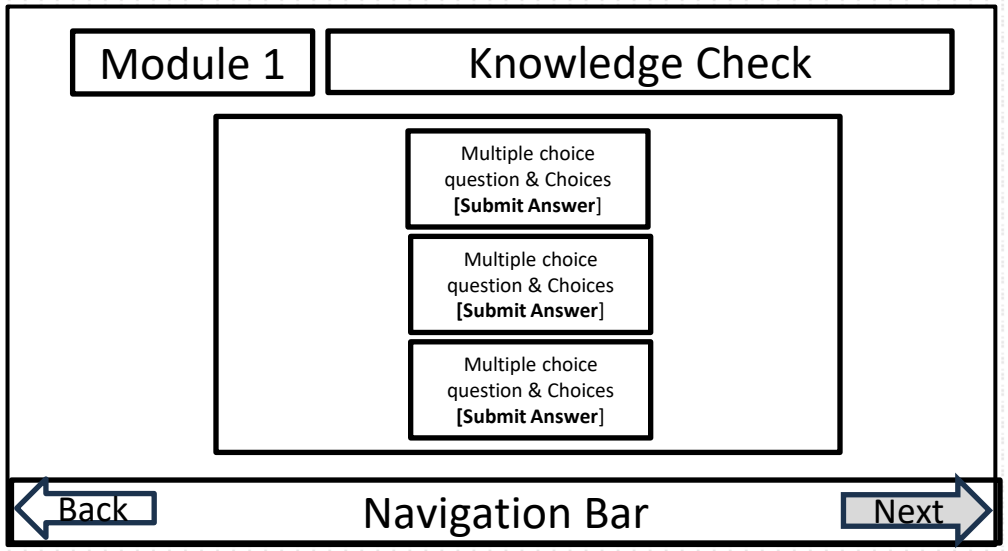
Each cases opens a pop-up or reveals a brief summary inside the same area

Audio / Narration / Text on Screen

Text on Screen:
• Heading: Legal Consequences
• Examples:
  - Sharing explicit images (child pornography laws)
  - Hacking or cyberstalking charges
• [Next] (Button)

Narration:
"Engaging in illegal online activities, such as sharing explicit content or hacking, can have serious legal consequences. Many teens don't realize that their online actions can result in criminal charges."

Project Name	Online Safety Education for Teen	Screen Title	Knowledge Check (M1S16_KnowledgeCheck)



Objects/Assets

See Style Guide for:
• Fonts, color palette, background color/image

Image/Icon Assets:
• Simple layout for quiz and feedback

Slide Objects:
• 3 Multiple Choice Questions
• [Submit Answer] (Button)

Audio / Narration / Text on Screen

Text on Screen:
• Heading: Knowledge Check
• Instructions: Select the best answer.
• Questions (examples):
    - What is phishing?
    - How should you respond to cyberbullying?
    - How can you protect your privacy online?
• [Submit Answer] (Button)

Narration:
"Let's test your recall of online risks. Answer the following questions to see how well you can identify scams, cyberbullying, online predators, privacy breaches, and online safety best practices. Don't worry - this is just for practice!"

Module #	01
Screen Index	#16 out of 17
Screen Type	Assessment

Navigation

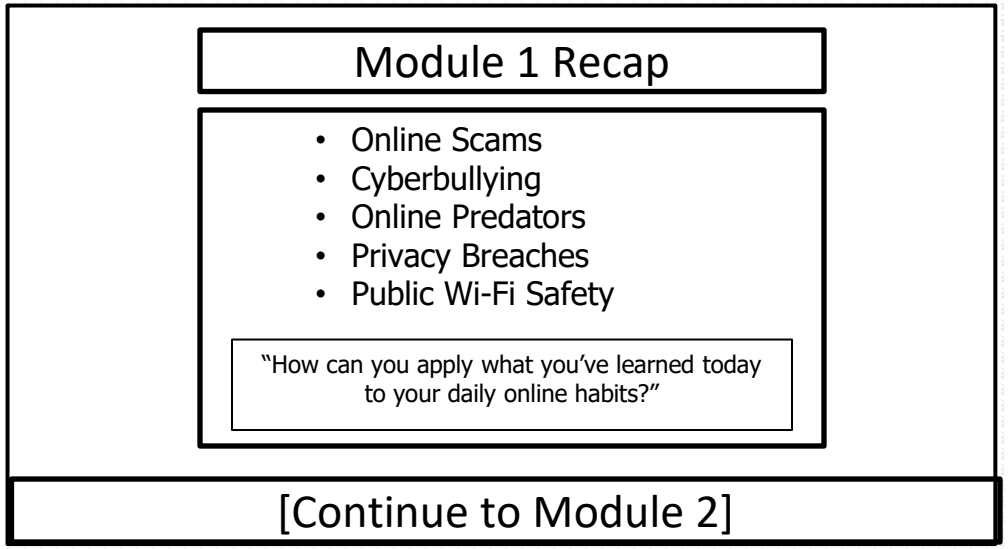
Clicking answer provides immediate feedback and enables the Next button

Navigation bar with [Next] disabled until answers are submitted

Interactivity

Multiple choice questions with interactive feedback

Project Name	Online Safety Education for Teen	Screen Title	Module 1 Summary (M1S17_Summary)



Objects/Assets

See Style Guide for:
• Fonts, color palette, background color/image

Image/Icon Assets:
• Icons: Shield, padlock, speech bubble (.png)

Slide Objects:
• Optional reflection question
• [Continue to Module 2] (Button)

Module #	01
Screen Index	#17 out of 17
Screen Type	Summary

Navigation

Click Continue to proceed to next module

Interactivity

Optional: Learner can type or think about their reflection before clicking Continue

Audio / Narration / Text on Screen

Text on Screen:
• Heading: Module 1 Recap
• Summary:
  - Online Scams
  - Cyberbullying
  - Online Predators
  - Privacy Breaches
  - Public Wi-Fi Safety
• Real-Life Consequences
• Optional: "How can you apply what you've learned today to your daily online habits?"
• [Continue to Module 2] (Button)

Narration:
"Great job! In this module, you learned how to recognize online risks, including scams, cyberbullying, and privacy breaches. You also explored the real-life consequences of unsafe online behavior. Keeping these lessons in mind will help you navigate the digital world safely. Up next, we'll dive into Managing Personal Information - let's get started!"
